# ENCOREPRO

## PROFESSIONAL CORDED HEADSET SERIES

### Unprecedented comfort and clarity meets sleek design.

Blending luxurious comfort with superior audio clarity and sleek, polished looks, the Plantronics EncorePro headset delivers unprecedented style and performance to contact center professionals. The EncorePro is built with premium lightweight nylon composite materials providing an ultra-lightweight design. Plush leatherette ear cushions provide hours of comfortable wear. Featuring a precision-fit, extendable noise-canceling microphone and high-frequency wideband response, the EncorePro ensures crystal-clear, efficient customer communications.

- **You'll forget you're wearing a headset.** Premium, lightweight nylon composite materials provide an ultra-lightweight design combined with plush ear cushions take comfort to a new level.
- **Hear and convey every nuance.** High-frequency wideband support ensures crystal clarity during customer conversations, and extendable superior noise-canceling microphone means customers never miss a word.
- **Resilient design meets elegant style.** Slim, stylish design makes for an appealing and subtle visual profile, while a reinforced, lightweight headband provides extra strength and top-of-the-line durability.

## PROFESSIONAL CORDED HEADSET SERIES

### EncorePro Key Features

- **Superior comfort and lightweight.** Plush ear cushions and premium lightweight materials provide hours of comfortable wear.
- **Extendable microphone.** Ensures precise microphone positioning so customers hear every word.
- **Advanced ergonomic design.** Provides superior balance, fit, comfort and can be worn on either ear.  
Choose your preferred fit:
  - Single earpiece (monaural) can be worn on either ear— lets you hear the conversation and what's going on around you.
  - Dual earpiece (binaural) — cuts out distracting background noises.
- **Quick Disconnect™ feature** lets you walk away from your phone while still wearing your headset. Adjustable clothing clip and 10 foot coil cord allow for freedom of movement.
- **Supports AudiolQ® and Clearline™ audio technologies.** Ensures precise listening level, sophisticated hearing protection and superior audio performance when used with Plantronics Audio Processors. Or you can use a Plantronics USB audio processor for VoIP and Unified Communications applications, or a direct connect cable.

Requires Plantronics audio processor, USB audio processor, or direct connect cable to connect to phone.

**2 YEAR**  
WARRANTY

### VistaPlus™ AP15 Audio Processor

Delivering clearer audio through AudiolQ's DSP-powered multiband compression, noise and echo reduction algorithms, the VistaPlus AP15 is specifically designed for contact centers that require the highest audio accuracy and clarity.
