

TASK MASTER® ADJUSTABLE FOOTREST

SHIFT POSITIONS

Allows users to actively shift positions while standing to keep them moving.

ADJUSTABLE

Nine positions allow this footrest to be easily adjustable from 5½" to 15"H.

STEEL CONSTRUCTION

Footrest is mounted at an 8 degree angle for maximum comfort and ergonomic support.

TEXTURED SURFACE

Textured surface helps eliminate feet from slipping off during use.

STEEL CONSTRUCTION

Heavy-gauge black tubular steel construction for a sturdy yet lightweight product.
